Who is YouthReach?

We provide grants to join theatre arts, dance, soccer, music, hockey, day camps, martial arts, baseball, and any structured skills-based program that supports a child's growth and development.

And it gives them the chance to be a kid!

How can I apply for a grant for my child(ren)?

- YouthReach can approve a grant for a child to participate in extracurricular activity programs.
- Children must be 3.5 - 18 years of age and able to participate in the program independently.
- YouthReach can only provide grants to pay for the direct registration costs; unfortunately, we are not able to pay for equipment or transportation.
